

# **Our Child Care Pods Are Growing!**

## **Learning pods have many benefits:**

- Create a safe environment for child care
- Support parents in sharing the load of child care
- Foster social interactions between children
- Provide structured, early learning opportunities
- Promote mixed age and intergenerational connections

### **About The Playschool**

Heartberry PS is a new non-profit organization founded by several families wanting a small group for their toddlers to play with their peers in a safe, mostly outdoor setting.

Heartberry PS gathers two to three times weekly from 9am -1pm in Port Townsend, WA. There is a rotating parent assistant for each session.
